

## UC Transfer Admission Planner (UC TAP)

An online tool for California community college students who want to transfer to the University of California.  
Why is UC TAP important for you?

**The UC Transfer Admission Planner (UC TAP) is an online tool that helps guide you as you prepare for transfer to a University of California campus.**

- Track your progress toward meeting UC's admission requirements each term as you enter your courses and grades earned. The tool calculates CCC transferable units and your UC transfer GPA.
- Receive important notifications about events and resources directly from UC.

**And we have other tools to help you plan and organize courses for your chosen major.**

- UC Transfer Pathways provide a simple way to identify coursework expected by all nine UC undergraduate campuses for 21 specific majors.
- The UC Transfer Pathways Guide shows courses at your community college that meet the specific course expectations.

**Nearly 200,000 students from California community colleges have already used UC TAP to plan their transfer to UC.**
